

Oh, things will come out

"Oh, things will come out all right."  
Sure they will —  
if we MAKE them come out all right!

This time the returning soldier is likely to give shape to things as he comes. Last time we bought the war off with subsidies, hospitalization, bonuses, free cigarettes, free trolleys, and other special privileges. We'll have to sell them something better than that now. The philosophy that captures the returning soldier is going to capture the nation.

We'll have to sell them something better than that now. The philo-
